President’s Report

The Ypsilanti Automotive Heritage Museum has seen many improvements and events during the 2016 year. We thank the many donations and volunteer time that have made it possible. It all looks good, come check it out.

The 20th Annual Ypsilanti Orphan Car Show on September 18th was a success in many ways. We experienced an increase in attendance and financial support. Thank you to all the volunteers, it wouldn’t have happened without you and your dedication. Tucker was the featured car.

The Auto Museum Board has experienced a couple loses. Jack Wiltse, a member of the Miller Family, had served on the original board. Jack passed away this Spring. Bill Nickels, also a longtime board member, resigned. Thank you Bill for your many years of service as Secretary on the board, handling our publications plus community relations. Both Jack and Bill will be missed.

I asked Jim Curran if he would handle our newsletter and he agreed. All the photography in this issue are from Jim’s files. Thank you Jim.

Please come and visit the museum and do some shopping for the car collector on your list. You could buy a personalized brick or a membership, which includes a copy of our quarterly newsletter.
